

WELCOME

to the

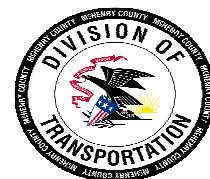

RANDALL ROAD IMPROVEMENTS STUDY PUBLIC INFORMATIONAL MEETING

This Study involves developing a Preferred Alternative along the Randall Road corridor from County Line Road to Ackman Road in McHenry County, Illinois that improves operational flow and is supported by the communities; while minimizing social and environmental impacts.

The purpose of this Public Informational Meeting is to present the:

- ❑ Purpose and Need for the project
- ❑ Alternatives Evaluation Process
- ❑ Alternatives being evaluated
- ❑ Preliminary results of the Alternatives Evaluation Process
